Ministry of Women and Child Development, Government of India

Poshan Tracker

The 'Poshan Tracker' is a mobile-based application rolled out by the Ministry of Women and Child Development, Government of India on 1st March 2021 through the National e-Governance Division (NeGD). Poshan Tracker is an important governance tool. Technology under the Poshan Tracker is being leveraged for dynamic identification of stunting, wasting, and underweight prevalence among children and last-mile tracking of nutrition service delivery.

Job-aid to the anganwadi worker for efficient delivery of services along with the reflection of their efforts. Critical and beneficiary-centric service delivery application under Poshan Tracker Promote real-time data with analytics. 13,96,946 anganwadi Centres with 10.12 cr beneficiaries registered
